DEAR WEST GROTON RESIDENTS,

Please be advised that beginning July 1<sup>st</sup> 2023, the quarterly water district taxes in West Groton will now be included as a line item on your real estate tax bills. This change has been made to streamline the billing process and to make it more convenient for residents to keep track of their water district taxes.

The inclusion of the water district taxes on your real estate tax bill does not change the amount that you owe. It simply means that you will receive one bill for both your real estate taxes and your water district taxes, instead of separate bills.

We encourage all West Groton residents to carefully review their tax bills and to contact the Treasurer/Collector's office if there are any questions or concerns about the inclusion of the water district taxes on the bill. The Treasurer/Collector's office can be reached by phone at (978) 448-1103 or by email at [treasurer@grotonma.gov](mailto:treasurer@grotonma.gov).

Thank you for your cooperation in this matter.

Sincerely,

**Hannah Moller**
